To all Children and Staff of PWCA,

I'm a Soldier in the US Army and currently serving in Afghanistan. We received care packages from you, and they were just outstanding! I just wanted to take the time and tell you how much we appreciate what you did. The package that I received was from Amanda in 5th. Thank you for the goodies, letter, and your prayers. I will keep your letter posted on my wall along with the ones I got from my own daughters. Once again thank you!!
